1968-69

431.5

BOARD OF GRAIN COMMISSIONERS FOR CANADA

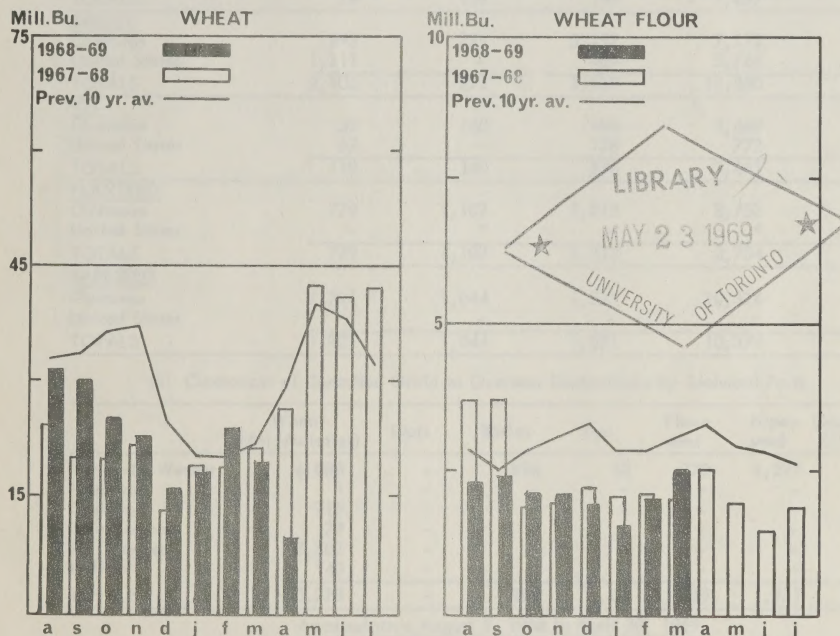

STATISTICS DIVISION

EXPORTS OF CANADIAN GRAIN

AND WHEAT FLOUR

APRIL, 1969.

GRAPHS-CANADIAN WHEAT AND WHEAT FLOUR EXPORTS BY MONTHS

Reports received from elevator licensees show that overseas clearances of Canadian wheat for April totalled 10.3 million bushels - in comparison to 26.7 million bushels in April, 1968. Cumulative wheat exports during the first nine months of the crop year, amounting to 199.7 million bushels, are some 14.1 millions greater than the comparable 1967-68 volume. The principal purchasers of Canadian wheat during April were Japan (3.2 millions), People's Republic of China (2.5 millions), Belgium and Luxembourg (1.1 millions) and Britain (1.0 millions). Crop year to date clearances to Canada's major wheat markets (comparable year ago in brackets) are as follows: People's Republic of China 48.6 (26.8), Britain 43.9 (50.2), Japan 28.8 (28.4), India 14.4 (.1), and Italy 9.0 (5.9) million bushels.

Exports of the other principal grains and oilseeds (with August 1 to date 1968-69 and 1967-68 in brackets) included: oats .1 (1.7, 2.3), barley 2.1 (12.9, 30.0), rye .1 (3.6, 3.8), flaxseed .8 (8.8, 10.3) and rapeseed 1.2 (10.4, 9.3) million bushels.

Pacific Coast ports cleared 9.0 of the six principal grains during April while St. Lawrence ports handled 4.1 millions of wheat. The Maritime port of Halifax exported .1 millions of wheat.

Wheat flour exports are estimated to be 2.5 million bushels.

Please note the addition of Tables 8 to 12 to this booklet, which show the principal grades exported overseas during the month for each of the principal grains.
